Narrows Lager *3.5%* **8** **10.5**

Clean and crisp, Narrows Lager presents the drinker a light and refreshing beer with reduced alcohol. This Australian Pale Lager offers a subtle flavour profile. Tasmanian grown hops are utilised and give this beer a gentle but noticeable hop character with flavours indicative of fruit salad.

Riverside Lager *4.7%* **9** **11.5**

Premium Pilsner malt is at the core of this beer moulded on a classic 'Munich Helles'. This crisp lager is refreshingly palatable and makes use of noble hop varieties giving off a noticeably fruity aroma producing a well-rounded lager, golden and grainy in style.

Heritage Wheat Beer *5.0%* **9** **11.5**

Traditionally known as 'Hefeweizen', this brew is unfiltered and presents a cloudy appearance. Heritage wheat beer is soft and smooth, with banana-like character and hints of cloves on the finish.

Angus Pale Ale *5.6%* **9** **11.5**

Defined by generous hop additions this flavoursome ale uses a blend of American varieties. The result is a beer offering citrus-like taste. Moderately aromatic, this beer has a distinct citrus bouquet, bringing forth flavours reminiscent of guava, passionfruit and grapefruit.

Tasting Paddle **-** **21**

A selection of 6 x 150ml tasters of our four house beers (above) + your choice of two beers from our seasonal selection. **Extra Taste \$3.5 each**

Stirling Schwarzbier *4.7%* **9** **11.5**

Deceptively dark, Stirling Schwarzbier is a German black lager that breaks all the rules! Unlike many dark beers this beverage does not boast a strong roast or an aggressively bitter profile. Instead, Stirling Schwarzbier offers a silky toffeeish, chocolate-like palate balancing smooth malt characteristics with restrained use of noble hop varieties offering a dry, satisfying finish.

Commune Bonum Alt 5.4%

9

11.5

Commune Bonum: “ A common good; a benefit to all; a matter of mutual or general advantage” is etched on the Kennedy Spring (the original water source for The Old Brewery). Altbier is a traditional beer style from Düsseldorf; Alt referring to the ‘old’ style of brewing. Paying homage to the past, Commune Bonum Alt is a well-balanced, bitter yet malty, clean, well-attenuated amber-coloured German ale.

Angus Brown Ale 5.8%

9

11.5

Angus Brown Ale is a beer brewed from a structured malt base. The beers malty richness is appropriately balanced alongside hop varieties offering citrus and pine character. A grain generated profile gives this beer bold caramelised flavour and aromatics, achieved from crystal malts in the grist. This maltiness is accordingly balanced against enough bitterness to deliver a well-defined finish to the beverage.

Eliza’s Saison 7.4%

-

12.5

Traditionally unfiltered, Elisa’s Saison is a lively Belgian Farmhouse Ale that ferments on a timeless and long-established yeast strain, producing a complex spice and tart profile. In order to enhance character, Elisa utilises coriander seeds and dried orange peel in the brewing process lending lemon pepper-like notes. Fruity esters dominate the aroma and lead into a firm, dry and thirst quenching finish.

Tomahawk IPA 7.8%

-

12.5

Brewed to be savoured, this Imperial IPA pours amber with a firm white head, a solid malt backbone and full throttle hops. Blowing out a whole month’s hops budget in just one batch, this beer is dominated by hop flavour and is deceptively drinkable. Tomahawk IPA’s strong hop presence presents the drinker with a noticeable profile of pine, citrus and marmalade and without warning is likely to take the weight off your feet!

Tomahawk Barleywine 8.5%

-

12.5

Tomahawk Barleywine is a rich and heavy ale brewed to high gravity. Traditionally the strongest beer in a brewery's portfolio, barleywine offers massive body and mouthfeel. This intense, multi-layered malty beverage presents the drinker flavours of caramel and molasses. This is a great sipping ale and a perfect finish to any meal.

Spider Cider (Crafter in Bridgetown, WA) 5.5%

9

11.5

A satisfying, dry and lightly spritzed cider, with clean crisp apple character.

Champagne yeast is added to pure apple juice, rewarding with fresh acidity and a clean dry finish.
